

Form 704 – PERMISSION TO LEAVE CAMPUS DURING SPARE

Student Name: _____

Grade: _____

Some grade 11/12 students will receive study blocks in their timetables. Study hall is a good opportunity for students to keep caught up with all their school work.

Procedures

- 1) Students may be in one of three locations: the library, the “Hub” (when open) or off the school property. It is expected that students will go to one of these locations and not be found loitering in the hallways or school parking lot.
- 2) Students must adhere to behavioral expectations for the library and Hub.
- 3) At the beginning of study hall, students should report to the library, indicating where they plan to be for that period. Students will not be permitted to sign out their friends.
- 4) If students leave and then return to the campus, they must be back to sign in at least ten minutes before the next class begins. If study hall is during the first class of the day, students must also sign in at the office ten minutes before the second class starts.
- 5) If students leave campus in a vehicle, they should obey all traffic laws, including passenger restrictions to “N” drivers.

Failure to abide by these procedures could result in a loss of study hall privileges.

Student:

I have read the “Study Hall” procedures and agree to abide by them. I understand that failure to follow these instructions will result in a loss of the study hall privileges.
